Statistics Minor Declaration Process

Students are encouraged to review the minor requirement information available on the web site and to consult with their faculty advisor and the Statistics Minor Advisor, Professor Shane Jensen (463 JMHH, stjensen@wharton.upenn.edu).

Students must complete a Statistics Minor Declaration Form (on page 2) and have this form signed by the Statistics Minor Advisor.

Once the Minor Declaration Form has been submitted, students are responsible for seeking Statistics departmental re-approval for any changes to courses originally listed on the form and for re-submitting documented approval of these changes to the Wharton Department of Statistics.

Please remember that all courses applied toward the minor must be taken for a letter grade and cannot be taken on a pass/fail basis.
Please Print:

Penn ID#: ___________________________  Current Date: __________________________

Name: _______________________________  Local Phone #: _________________________

Last Name     First Name

Local Address:________________________________________________________________

Expected Graduation Date: _______________  E-mail: ____________________________

Please complete the following, obtain the necessary signature, and return this form to the Wharton Department of Statistics, 400 Jon M. Huntsman Hall.

Once the Minor Declaration Form has been submitted, students are responsible for seeking departmental approval for any changes to courses originally listed on the form and for submitting documented approval of these changes to the Wharton Department of Statistics.
